

Legacy Sunday is when we come together as a church family to leave a legacy of generosity. As a church, we are in the middle of the Decade of Love, our vision for reaching people together over the next several years. On Legacy Sunday, we encourage everyone in our church to give something above what they usually do to forward the vision of the Decade of Love. Legacy Sunday is all about taking the gospel to the world.

**Key Passage:** Matthew 9:35-38

2. How does Matthew describe the people for whom Jesus had compassion? How does that compare to how we usually see the lost people around us? What does it mean to have compassion for our classmates, neighbors, or coworkers who don't know Christ?
3. What is the central mission of Cross Church? How have you seen this mission at work? What does it mean that the measure of our church isn't our seating capacity but our sending capacity?
4. What should the mission of Cross Church look like in our lives personally? What instructions are we given in Matthew 9:38 that can serve as a first step? How can we put this into practice personally and as a small group?
5. What's one personal takeaway from today's study you can focus on this week?
